SUMMARY

I am also confident in my ability to collaborate with others in any situation. With a bachelor's degree in architecture and 7 years of experience working at an architectural firm as an assistant architect and drafter. Self-driven professional with great interpersonal, communication, and organizational skills. Works effectively both individually and cooperatively in a team under pressure to achieve strict deadlines. I hereby certify that, to the best of my knowledge, the information above is accurate and full.

Thank you for your time. I hope to get a prompt response from you shortly.

Yours Sincerely,
Shane Thu Aung
